Bonjour, Tēnā Koutou, Greetings to our members!

### **An Update from the Le Quesnoy Sister City Working Group**

Hi, my name is Alana MacKay and I have stepped into the role of chairperson for the Le Quesnoy Sister City Working Group. This is the group that plans and executes the events and activities to upkeep the sister city relationship between Cambridge, New Zealand and Le Quesnoy, France. Unfortunately Grahame Webber had to step down from the role as chairperson due to other commitments – thank you very much for your hard work Grahame!

A little bit more about me, I am halfway through my first term on the Cambridge Community Board and really enjoying it. The Sister City relationships have always been of interest to me and I look forward to building on our relationships. With a background in events and hospitality (my family and I started and ran Rouge for 9yrs), I am excited about working with our team to celebrate French culture, involve the people of Cambridge, and revive my schoolgirl French! I hope to see you at our Bastille Day activities.

### **Bastille Day Wednesday 14 July - Save the Date!**

We are busy planning for Bastille Day this year in Cambridge, Wednesday 14<sup>th</sup> July. It's during the school holidays so there will be activities for the kids during the day.

Last year we loved the French Bastille Day soirée at Tivoli Cinema - so we are doing it again! The full programme for Bastille Day will follow by email in the next month, and will also be on our website <https://www.cambridgelequesnoy.co.nz/> and Facebook page <https://www.facebook.com/CambridgeLeQuesnoy>.

One last thing, The Boatshed Karapiro Café are having a French Dinner on Friday 16<sup>th</sup> July - booking is open now directly through The Boatshed Karapiro. Simply book with them (details are in their attached flyer). We are getting a group together from the Cambridge Le Quesnoy Friendship Association - if you would like to be seated with us, let the Boatshed know when you book.

We hope to see you there!
